

STUDY MEDICINE - DENTISTRY IN HUNGARY (ENGLISH TAUGHT PROGRAM)

UNIVERSITY OF
DEBRECEN

UNIVERSITY OF NATIONAL EXCELLENCE

HUNGARY AND THE CITY OF DEBRECEN

Hungary is the European Union member country located in Central Eastern Europe. Debrecen is Hungary's second-largest city, and its name has been synonymous with wealth and conservatism since the 16th century. Flanked by the **Golden Great Church** and the historic Aranybika hotel, Debrecen's central square, Kossuth tér, sets the rather subdued tone for this city. The city of Debrecen was ranked the fifth by **Lonely Planet's best value destinations in 2017**.

UNIVERSITY OF DEBRECEN

University of Debrecen is the **Hungary's oldest** continuously running higher education institution (founded in 1538). The university has a **well - established program in the English** language for international students, particularly in the Medical field, which first established education in English in 1986. There are nearly 4000 international students studying at the university. Loan and Scholarship opportunities include the **Stipendium Hungaricum Scholarship**, Erasmus and several federal loan possibilities
